Brand architecture

Clinic Dermatech operates a three-brand structure:

Clinic Dermatech	The core clinic chain. 24 locations in 13 cities covering dermatology, laser, and aesthetic treatments. Average transaction value of Rs 40,000. In operation since 2006.
CD Lush	The luxury arm of Clinic Dermatech. Currently operates from 2 locations (Starling Edge Mall, Noida and Safdarjung Enclave, Delhi). Treatments include custom protocols, IV drip therapy, cryosculpting, and RoboDerma, delivered in private treatment rooms.
CIEL Skincare	The direct-to-consumer skincare line. PETA-certified vegan, cruelty-free products priced between Rs 390 and Rs 2,300. Collections include Daily Detox, Anti Ageing, Sun Defence, Skin Brightening, and Oil Control. Sold on Amazon, Flipkart, Nykaa, Myntra, Tata CLiQ, and at cielskincare.com. Product line is growing at 30% year-on-year.

Services and treatments

Clinic Dermatech offers treatments across six categories. All laser equipment is USFDA-approved. The company uses a dedicated-equipment model, meaning specific machines are assigned to specific procedures rather than sharing multi-specialty devices across treatments.

Laser hair reduction

USFDA-approved Triple Wave Technology. The company's most popular service category, with reported highest customer satisfaction scores in laser hair reduction (Brands Academy Awards, 2016).

Skin care

Chemical peels, IPL (Intense Pulsed Light), Bright and Clear Laser, NewSkin Laser, Dermashine, and the CD Color Correction System for pigmentation and uneven skin tone.

Anti-ageing

Medi-facials, Carbon Miracle, RoboDerma (robotic micro-needling with targeted serum infusion), dermal fillers, Botox, thread facelift, PRP, Meso Bloom, and CD Ultra.

Hair restoration

Meso Hair-Regain, Stem Cell Hair-Regain, PRP Hair-Regain, GFC (Growth Factor Concentrate), and advanced hair transplant procedures.

Body shaping

CD Tone & Tighten (proprietary protocol), CD iLipo, cryosculpting, and EMShape for non-invasive body contouring and fat reduction.

Aesthetic surgery

Facelift, blepharoplasty (eyelid), ear lobe repair, scar revision, chin reshaping, liposuction, breast augmentation, breast reduction, breast lift, and mommy makeover procedures.

History

Clinic Dermatech was founded in Defence Colony, New Delhi. Its founders had studied technology-driven cosmetic dermatology practices in the US, UK, and Southeast Asia, and saw that most Indian clinics at the time stretched a single multi-specialty machine across all procedures. From day one, the model was built around dedicating specific equipment to specific treatments.

Over 20+ years, the company grew from that single clinic to 24 locations, expanding first across Delhi NCR and then to Tier 1 cities nationwide. Along the way, it launched two additional brands: CD Lush (the luxury treatment arm) and CIEL Skincare (a direct-to-consumer product line). As of FY2025, services account for roughly 90% of revenue, with CIEL product sales making up the rest.

24 of the 23 clinics are company-owned. The one exception is a legacy franchise in Agra. Clinic Dermatech does not actively franchise, preferring to keep direct control over equipment standards, treatment protocols, and the customer experience at every location.

Mission and philosophy

Mission: "To enable our clients to be physically attractive by employing the most advanced technology, while adhering to high ethical standards and always putting the client's best interests first."

Vision: "To empower women and men to be in control of their destinies and lead successful lives through the ability to look and feel attractive."

Clinic Dermatech operates on the belief that individuals should have access to the same calibre of cosmetic dermatology technology available in the US, UK, and Southeast Asian markets. Its tagline is "Live Powerfully."
